**Power to Change - Students and Ravi Zacharias International Ministries Partner
for Relevant Series**

Apologetics Outreach Events Coming to Canadian University Campuses this January

Toronto, ON (Jan. 10, 2019) - Power to Change - Students (P2C-Students) and Ravi Zacharias International Ministries (RZIM) are partnering in the outreach initiative Relevant Series this January. Relevant Series is a week-long series of outreach events hosted on Canadian post-secondary campuses where qualified speakers address a broad range of apologetics topics. Relevant Series will take place in 4 major cities in Canada in January 2019: Toronto, Montreal, Calgary, and Edmonton.

Today's college and university students are hungry for answers to life's deepest questions. Drawing on the expertise of RZIM in apologetics and P2C-Students' platform of ongoing gospel ministry with students, Relevant Series in 2019 will provide opportunities for students to explore the questions of life and faith in a gospel-infused way through lectures, debates, discussion events, and many follow up conversations.

Grace, a student and Relevant Series participant in 2018 shared, "Relevant Series has opened doors for me to hold conversations about topics that I've never considered, with people that I've never dreamed of meeting, and has changed my perception of ministry and how the world fits into God's word."
